Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Regular review of student reading performance data and setting student goals and targets improve performance
- Targeted allocation of resources to ensure individual student targets were being met.

Actions implemented were:
- purchasing an individual reading program
- employing a teacher to work with students on achieving performance towards NAPLAN National Average and Upper Two Bands in Reading
- employing relief causal staff to allow teachers to develop capability through lesson observation, coaching and mentoring related to Explicit Instruction of Reading

Outcomes achieved:
- In 2014 we increased the number of students in Years 3, 5, & 7 achieving in the NAPLAN Upper 2 Bands of Reading from 22% in 2013 to 72%.
- In 2014 we increased the number of students achieving the National Average in Years 3, 5 & 7 Reading NAPLAN from 50% in 2013 to 81%
- In 2014 all staff worked with a Pedagogical Coach to improve their capability using Explicit Instruction for the teaching of reading.
